TWGA UPDATES

Cara's Corner

RESIDENT MEMBER VS. NON-RESIDENT MEMBER

You have probably noticed by now that making a tee time online is easy and almost always simple. It is only tricky on Friday afternoon, Saturday and Sunday mornings if you are a nonresident member(nrm)the majority of TWGA members are nrm. Resident members have full access to all tee times.

Resident members are designated and not based on gender and can be switched from year to year.

So, what does the nrm do if they would like to play during resident only times. There are a few ways to do this:

1. Pay a guest fee during the resident only times
2. Wait for 24 hours before the resident only time and if a time is still available then call the proshop and they will make your tee time(no guest fee needed)
3. Change your designation to resident member if possible

I hope this helps clear up any confusion.

FROM THE TWGA

Here are a few FYI's and Reminders

- Twilight players: If you are getting a sub for league, notify the Pr Shop in advance so they can change the card.
- Eclectic: If you are playing in the Eclectic on August 8th, you need to have your first round completed by July 31st. Let the Pro Shop know before you start play, that you will be using the round for the first leg of the tournament and have someone with you to verify your score, and include your handicap.
- We will be looking for someone to chair the 9 hole twilight league next year. Mary Cook has chaired the league for the past two years and is passing the torch! Thank you Mary Cook for your hard work and dedication.
- Nominations are being accepted for the 2022 Board positions. If you are interested, please contact the Chair Person, Carol Pietraszek at carolpie9@gmail.com.
- There is a new tab on the Tuscarora website that is for members only. Use the password supplied by the club recently to access your Account Portal, Member Directory and to Book a Tee Time.
- Plans will begin for the locker room renovations this fall through 2022. Contact Wendy Rourke if you are interested in joining the committee: wlrourke@verizon.net

Thank you to all that attended and contributed towards the celebration of life for Jackie Ross, and a special thanks to the group that coordinated the event!

Also, we appreciate the complimentary food and beverage provided by Peter.
