### WHY BELONG TO THE TWGA?

Here are a few answers!

- Entry fee to play in any of the TWGA sponsored tournaments is free if you belong to the TWGA. If not, it's \$25 per tournament. The TWGA provides most of the prize money for every tournament. There are 9 tournaments. If you pay as you go, and played every tournament (yes, there are people who do that and it's not just me!), it would cost \$25 x 9 = \$225. See how quickly that added up!
- We send some of the membership money to the Entwistle scholarship.
- We subsidize some of the dinners.
- We make sure all leagues and events are organized, funded and run as smoothly as possible. We also help the league chairs find people to run the tournaments.
- The most important reason we have a TWGA board is access and representation at the Tuscarora Monthly Board meetings. TRADITIONALLY, women cannot run for a seat on the Tuscarora Board because MOST are not resident members. Therefore, it's nice to have additional representation from the TWGA. We hear your concerns and the board wants to hear them too!

### **TWILIGHT LEAGUE: SCORE KEEPING**

### Sample Score Card & Tips

### 9 hole twilight league

- Record your Gross Score (the actual score you attained)
- Record your Net Score (deduct the dots you are allowed on the card)
- Enter the match score: The player with the lower net score gets 1 pt., if there's a tie, each person gets .5
- Post your gross score in the computer. If you enter the scores hole by hole, the computer will adjust your score for any holes that you exceed your maximum stroke allowance; however if you enter the 9 hole total score, you will need to make a manual adjustment before entering it in the computer.
- Leave the cards in to the ladies locker room completed.
- ALL SCORES should be posted to get an accurate handicap!
