## TWGA UPDATES

First, there will be no membership fee to join TWGA. We will run only with the \$1,600 from the club. The TWGA will still be most everything that it has been; a place to voice our concerns, plan events, tournaments and of course promote golf for all women.

Second, we have cut down on the AMOUNT of tournaments, and ALL tournaments, we will be charging an entrance fee of ~\$25 for prizes etc. We are hoping fewer tournament will mean MORE participation. Here is what we have decided from YOUR input;

- You can play with a fellow member or invite up to three guests and EVERY participant will be charged an entrance fee.
- The Tuesday Twilight and Wednesday am 9-hole leagues will have ONE M/M/G each.
- The 18 hole 2 day M/M will be played on two consecutive Tuesdays.
- There will NOT be an Eclectic tournament this year because participation was so low over the last few years. Instead, we are asking all league chairs to keep ringer cards with winners to be announced at the Fall banquet and prizes provided by TWGA funds.
- We will have the Tuesday Ladies' Day 18 hole best ball as we have the last two years, and will be chaired by Mary Cook.
- An additional 18 hole MG tournament on a Saturday afternoon date TBD chaired by Linda Kelly.
- The "Ida" will be chaired by Jan Anthony and details TBD,

Let's try this and see if we can increase attendance, have better competition and more fun overall!

## Corner

Hi Everyone:  
It's that time of the year where we evaluate 2021 and start setting the golf calendar for 2022. Based on surveys, participation levels, proshop and restaurant input, we are proposing a few changes this year to the amount of tournaments and fee structure.

## **NYSGA SCORE POSTING 2021 Tuscarora was recognized!!!**

Every year the New York State Golf Association reveals the number of scores posted during the year. The statistics include the GHIN Member total, rounds posted by NYSGA members, total course postings and the top ten individuals that posted. Posting began on April 15th, 2021 and ended on October 31st, 2021.

In the "most rounds posted" category at a NYSGA facility, Tuscarora ranked 17 out of 20, with 9,524 rounds posted!

There was also one member of Tuscarora who took first place in the "Women's All Rounds" category and the "Women's 18 Hole Rounds" category. Follow the link below to find out who that might be! I would guesstimate that most of you already know!!
