## TWGA UPDATES

### Cara's Corner

Hello Everyone,

Hard to believe the 2021 golf season is ALMOST over. We only have a few more scheduled events for 2021 (see calendar for details!) However, there are still many great days left to play, so, don't put your clubs in the closet, yet!

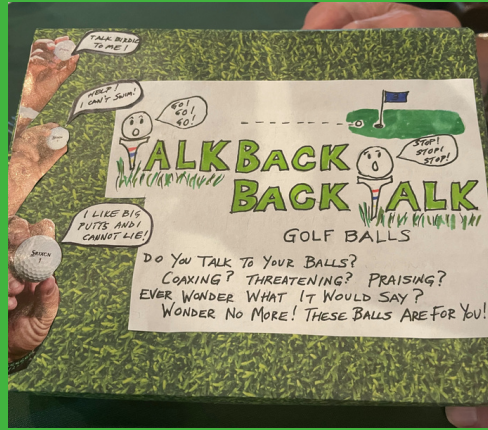

Our Fall meeting is Tuesday, September 28th. Drinks at 5:30pm with dinner starting at 6:00pm. The meeting will start at 7:00pm. Details and dinner reservations will be sent asap so please look for it and try to attend.

Remember to spend your minimum in the restaurant and use any pro-shop credit you may have. Also credit can be used for re-gripping which might be necessary this time of year.

The course has had a lot of play this year and is holding up well, but the dreaded aeration will be soon.

## 9 HOLE WEDNESDAY CHAIR

### Nancy Nojaim Day - September 15th

On this day, September 15th, 2021, a proclamation was declared!

After 15 years of chairing the 9 hole Wednesday am league, Nancy is stepping down. She has devoted umpteen years of dedication to the betterment of all players in the group by providing a lively and fun atmosphere. Each week a different format was used such as best ball, pink ball, step away, low putts and many more. All players used the yellow tees, which provided a shorter path to the green, but also a different game than playing from the white tees. Nancy spent endless years inventing games, chairing tournaments (because no one else wanted to) and provided enjoyment for all the participants.

It was also noted that Nancy "back talked" to her ball when things weren't going well and occasionally balls were put in "time out" if not behaving! Additionally, Nancy is a Tuscarora Board Member and dedicates so much time and energy to the club.

Thank you Nancy from all the TWGA women!

## HOLE IN ONE Katie Wells

### Tuscarora TWGA Spotlight

The Ida Pirro Classic 2021, was one to be remembered! Although the turnout was not what was hoped for, there was plenty of action on the course!

Namely, Katie Wells, a member of the TWGA and participant in the 9 hole twilight league, had a hole in one on Hole 13.

She and her partner, Elena Regin and other team members watched the ball sail down the fairway on hole 13 and roll across the green until it disappeared into the cup! She accomplished this with her 8 iron! She also got the longest drive from the white tees on hole 16. What a day!!!
